

# Curriculum Vitae

## Masoud Motalebi Kashani (PhD)

Last Updated: APRIL 2023

### • Personal Information

First name: <b>Masoud</b>	Last name: <b>Motalebi Kashani</b>
Date of birth: <b>4.OCT.1966</b>	Birth town: <b>Tehran</b>
Nationality: <b>Iranian</b>	Marital status: <b>Married with two children</b>
Address: Kashan University of medical sciences, Kashan, IRAN	Phone: <b>+983155540111</b>
Email Address: <a href="mailto:motallebi_m@kaums.ac.ir">motallebi_m@kaums.ac.ir</a>	<a href="mailto:motalleby_m@yahoo.com">motalleby_m@yahoo.com</a>

### • Professional Information

Job title: <b>Academic member</b>	Academic degree: <b>PhD</b>
Academic title: <b>Professor</b>	Department: <b>Occupational Health Engineering</b>
Faculty: <b>Health Faculty</b>	University: <b>Kashan University of medical sciences</b>

### • Educational Records

#### a. Academic degrees

Course	Degree	University	City	Country	Graduation Date
Occupational Health	MSc	Tarbiat Modares University	Tehran	IRAN	1994
Occupational Health	PhD	Tarbiat Modares University	Tehran	IRAN	2010

#### b. Theses

Title of thesis	Degree	Supervisor(s)
Evaluation of physical work capacity at Iranian workers	MSc	Dr. Lahmi
Study on antioxidants effect in preventing rabbits' hearing loss exposed to noise and carbon monoxide simultaneously	PhD	Dr. Mortazavi

### C. Courses

Course	Duration	Place	Year
Advanced Ergonomics workshop	5 days	Tarbiat Modares University	2000
ISO 14000 workshop	1 days	Esfahan medical university of sciences	1999
Research Methodology workshop	5 days	Kashan University of medical sciences	1996
Advanced Research Methodology workshop	5 days	Kashan University of medical sciences	2002
Paper writing workshop	2 days	Kashan University of medical sciences	2008
ICT workshop	1 days	Kashan University of medical sciences	2007
Learning process workshop	3 days	Kashan University of medical sciences	2005
Lisrel software workshop	2 days	Kashan University of medical sciences	2012
Advanced Industrial ventilation workshop	1 days	Sharif university of Technology	2013
Traffic Safety	7 days	Tabriz University of medical sciences	2018
Assessment of medical sciences Fellowship	6 month	Virtual University of medical sciences	2021

### • Professional Records

#### a. Teaching history as lecturer

School	Level	Title of lesson	Year
Kashan University of medical sciences	Postgraduate	Occupational Health management	2015 so far
Kashan University of medical sciences	Postgraduate	Occupational Accident Analysis	2015 so far
Kashan University of medical sciences	Undergraduate	Ergonomics	1996 so far
Kashan University of medical sciences	Undergraduate	Industrial Noise Control	1996 so far
Kashan University of medical sciences	Undergraduate	Industrial Ventilation	1996 so far
Kashan University of medical sciences	Undergraduate	Occupational Accident	1996 so far
Kashan University of medical sciences	Undergraduate	Occupational Health & Safety	1996 so far
Kashan University of medical sciences	Postgraduate	Air pollution control	2013 so far

#### b. Academic Administrative Appointments

Position	Institution/Location	Year
Dean	Kashan University of medical sciences, Faculty of Health	2010 -2015
Head of Department	Kashan University of medical sciences, Occupational Health Department	2009-2011 1999-2001
Head of Social Determinants of Health Research Center	Kashan University of medical sciences	2016 SO FAR
Chairman of International Archives of health Research Journal	Kashan University of medical sciences	2013 SO FAR
General Administration office & Postgraduate Education Manager	Kashan University of medical sciences	2018 SO FAR
Head of Department	Kashan University of medical sciences, Health, Safety, Environment Management Department	2017 SO FAR

- **Honors and Awards**

<b>Award</b>	<b>Place</b>	<b>Awarding body</b>	<b>Year</b>
Appreciations	Kashan University of medical sciences	Educational vice chancellor	2010
Appreciations	Kashan University of medical sciences	Research vice chancellor	2008
Appreciations	Esfahan province	Governor of Esfahan province	2011
Appreciations	Kashan University of medical sciences	Educational vice chancellor	2019

- **Research Projects**

<b>Row</b>	<b>Title of Project/proposal</b>	<b>Place</b>	<b>Current condition</b>	<b>Year</b>
1	Survey of Noise pollution in Kashan	Kashan University of medical sciences	Finished	1998
2	Thermal Environments in Iranian Bakeries	Kashan University of medical sciences	Finished	2000
3	Epidemiologic Survey of occupational trauma in Kashan	Kashan University of medical sciences	Finished	2001
4	The prevalence of musculoskeletal disorders and posture risk Factors evaluation at medical laboratory personnel in Kashan city 2012-2011	Kashan University of medical sciences	Finished	2011
5	Assessment of health impact attributed to air pollution using of Air Q model in Kashan 2011.	Kashan University of medical sciences	Finished	2013
6	Survey of safety climate and its structural factors in the nursing staff employees in Kashan university of medical science hospitals during 2014	Kashan University of medical sciences	Finished	2014
7	Assessing the relationship between job stress and occupational burnout among the employee staffs in Kashan rehabilitation centers	Kashan University of medical sciences	Finished	2014
8	Correlation of Mental Workload and General Health among the Suburban Passenger Bus Drivers in South Tehran Terminal	Kashan University of medical sciences	Finished	2014
9	The Relationship between Safety Climate and Attitude toward the Use of Personal Protective Equipment for Workers of Kashan and Aran Bidgol Steel Companies	Kashan University of medical sciences	Finished	2014
10	The Correlation of Character traits with Job Burnout among Beheshti Hospital Nurses in Kashan during 2015	Kashan University of medical sciences	Finished	2015
11	The effect of noise stress on morphology and histopathology of uterus and ovary and sex hormones of female mice at implantation time.	Kashan University of medical sciences	Finished	2015
12	Priorities of occupational health, safety and environment based on national programs and regulations from the perspective of occupational health experts in Kashan industries in 2017	Kashan University of medical sciences	Finished	2017

13	Investigating the relationship between subjective burden of work and burnout in personnel of urban health centers of Kashan in 2018	Kashan University of medical sciences	Finished	2018
14	The correlation between hyperacusis and sleep quality in dormitory students of Kashan University of Medical Sciences in 2018	Kashan University of medical sciences	Finished	2018
15	Prevalence of fatigue in kashanian female workers in industrial field in 2018	Kashan University of medical sciences	Finished	2018
16	Relationship between individual, professional and Sensation seeking factors of drivers on risky driving behaviors and Risk of road accidents, Use of structural equation model	Kashan University of medical sciences	Finished	2018
17	Prevalence of occupational accidents and related factors in the operational personnel of Shahid Rajaee port complex in 2018.	Kashan University of medical sciences	Finished	2018
18	Assessment of health, safety and environment in Kashan University of Medical Sciences laboratories by multi-criteria decision making method (2018)	Kashan University of medical sciences	Finished	2018
19	Study of reported work-related accidents in Kashan during 2016-2017	Kashan University of medical sciences	Finished	2018
20	Compilation and Psychometric of the Measurement of Public awareness on Emergency Response in the Workplace	Kashan University of medical sciences	Finished	2018
21	The Explosion VESSEL CONSEQUENCE Modeling of CNG Fuel Stations in Aran and Bidgol(CASE REPORT)	Kashan University of medical sciences	In Progress	2019
22	Development and psychometric evaluation of barriers of periodic medical examination scale and measurement in Kashan city industries 2019	Kashan University of medical sciences	Finished	2019
23	Evaluation of Musculoskeletal Disorders and the observance of ergonomic principles in administrative staff of Kashan Shahid Beheshti Hospital with Rapid Office Strain Assessment (ROSA) method	Kashan University of medical sciences	Finished	2020
24	Design and implementation of portable Earthing system for safety laboratory	Kashan University of medical sciences	In Progress	2019
25	Epidemiology and trend of registered accident survey in Iran 2009-2017	Kashan University of medical sciences	Finished	2020
26	Quantitative and qualitative evaluation of articles focusing on the analysis of one hundred top-cited papers in different subject areas: Science Survey study	Kashan University of medical sciences	Finished	2021
27	Occupational Stress in nurses: Keyword and co-citation analyses of the 100 top-cited papers published in nursing journals in Scopus	Kashan University of medical sciences	Finished	2021
28	The survey of job stress and post-traumatic stress on musculoskeletal disorders rate and sleep disorders in firefighters population	Kashan University of medical sciences	Finished	2021
29	The Effect of Open Plan Office's Sound on Staffs' Cognitive Performance	Kashan University of medical sciences	In Progress	2021
30	"Environmental and Health Impacts Assessment of Reverse Osmosis Development in Drinking Water Desalination"	Kashan University of medical sciences	Finished	2021

• **Postgraduate Theses ( supervised or consulted)**

<b>Title of thesis</b>	<b>Degree/Level</b>	<b>Place</b>	<b>Role</b>	<b>Year</b>
Sleep disorders in shift workers in compare son with day workers in Shahid Beheshti hospital in Kashan	General Physician	Kashan University of medical sciences	Consultant	2004
Digestive disorders in shift workers in compare son with day workers in Shahid Beheshti hospital in Kashan	General Physician	Kashan University of medical sciences	Consultant	2004
Prevalence of obesity in Kashan University of medical sciences staff	General Physician	Kashan University of medical sciences	Consultant	2004
A survey on the protective effect of vitamin E on the hearing of Rabbits exposed to noise and carbon monoxide	MSc in Audiology	Tehran university of medical sciences	Consultant	2010
A survey on the protective effect of N- acetyl cysteine on the hearing of Rabbits exposed to noise and carbon monoxide	MSc in Audiology	Tehran university of medical sciences	Consultant	2010
Regression model for ultraviolet radiation from Arc welding process	MSc in Occupational Health	Tehran university of medical sciences	Consultant	2013
Evaluation of noise pollution & traffic noise indexes using GIS system in main streets in Kashan	MSc in Environmental engineering	Islamic Azad University	Supervisor	2013
The effect of noise stress on morphology and histopathology of uterus and ovary and sex hormones of female mice at implantation time	MSc in Histology	Kashan University of medical sciences	Consultant	2014
Human Errors Assessment and Management Study in MAPNA Drilling Rig Control rooms Operators by using of SHERPA Technique	MSc in HSE management	Islamic Azad University	Supervisor	2015
The Correlation of Character traits with unsafe acts in Metal smelting Industry Workers of Kashan 2015	MSc in HSE management	Islamic Azad University	Supervisor	2015
Priorities of occupational health, safety and environment based on national programs and regulations from the perspective of occupational health experts in Kashan industries in 2017	MSc in HSE management	Kashan University of medical sciences	Second Supervisor	2017
Compilation and Psychometric of the Measurement of Public awareness on Emergency Response in the Workplace	MSc in HSE management	Kashan University of medical sciences	Supervisor	2018
Prevalence of occupational accidents and related factors in the operational personnel of Shahid Rajaei port complex in 2018.	MSc in HSE management	Kashan University of medical sciences	Supervisor	2018
Investigating the relationship between subjective burden of work and burnout in personnel of urban health centers of Kashan in 2018	MSc in HSE management	Kashan University of medical sciences	Supervisor	2018
Relationship between individual, professional and Sensation seeking factors of drivers on risky driving behaviors and Risk of road accidents, Use of structural equation model	MSc in HSE management	Kashan University of medical sciences	Supervisor	2018

Development and psychometric evaluation of barriers of periodic medical examination scale and measurement in Kashan city industries 2019	MSc in HSE management	Kashan University of medical sciences	Second Supervisor	2019
Evaluation of Musculoskeletal Disorders and the observance of ergonomic principles in administrative staff of Kashan Shahid Beheshti Hospital with Rapid Office Strain Assessment (ROSA) method	General Physician	Kashan University of medical sciences	Consultant	2020
Assessing the readiness of different wards of Kashmar city hospitals for accidents and disasters in the year	MSc in HSE management	Kashan University of medical sciences	Supervisor	2021

• **Lectures in Workshop /Seminar**

<b>Title of Lecture</b>	<b>Workshop/Seminar</b>	<b>Place</b>	<b>Year</b>
Ergonomics	Occupational medicine continuing professional training	Kashan University of medical sciences	1998,2002 2005,2009
Occupational Accidents	Occupational medicine continuing professional training	Kashan University of medical sciences	1998,2002 2005,2009
Industrial Noise Control	Occupational Hygienist professional training	Kashan University of medical sciences	2008
Industrial Ventilation Design	Occupational Hygienist professional training	Kashan University of medical sciences	2010
Ergonomics software	Occupational Hygienist professional training	Kashan University of medical sciences	2011
Posture Analysis methods in Ergonomics	Occupational Hygienist professional training	Kashan University of medical sciences	2013
Chemical Accident Management	Occupational Hygienist professional training	Kashan University of medical sciences	2015
Occupational Health Management	MPH Fellowship	Esfahan University of medical sciences	2016

• **Publications:**

**A. Books**

<b>Author(s) Translator(s)</b>	<b>Compilation/ Translation</b>	<b>Title</b>	<b>Publisher</b>	<b>Site of Publication</b>	<b>Year of Publication</b>
Almasi H, Bahrami A, Hannani M, Saberi H, Motalebi Kashani M	Translation	Occupational Audiometry	Tak derakht	Kashan	2010
Mazaheri A Motalebi Kashani M Atamaleki A Rezvanii M	Compilation	Application of AutoCAD software for Environmental & Occupational Health	Morsal	Kashan	2017

## B.Papers in Journals

Author(s)	Title	Position	Journal name	Vol NO	Issue No	Page No.	Year
Hossein Akbari, Masoud Motalebi Kashani, Sedighe Dehghani Bidgoli, Masoumeh Koochaki Nasrabadi, Fahimeh Karamali	An analysis of association of personality traits with job burnout among nurses working in hospital	Second Author	Journal of Integrative Nursing	5	1	43	2023
Masoud Motalebi Kashani, Hoda Homavandi, Zahra Batooli	Bibliometric studies of most-cited medical papers: A bibliometric analysis	First Author	International Archives of Health Sciences	9	3	123	2022
Masoud Motalebi Farideh Kheirkhah , Hossein Akbari Mehrdad Mahdian Fahimeh Karamalid	The Burden of Occupational Accidents in Kashan Using the DALY Index	First Author	Journal of Occupational Hygiene Engineering	9	4	251 258	2022
Hossein Akbari Mehrdad Mahdian Masoud Motalebi Fatemeh Sadat Asgarian	Epidemiology, Incidence and Trend of Injuries in Iran: A National Study	Third Author	Archives of Trauma Research	11	3	113 117	2022
Masoud Motalebi, Mehrdad Mahdian	Pedestrians: The Vulnerable Forgotten Road Users	First Author	INTERNATIONAL ARCHIVES OF HEALTH SCIENCES	9	1	1-2	2022
Hossein Akbaria, Masoud Motalebi Kashani <sup>1</sup> , Sedighe Dehghani Bidgoli, M Koochaki Nasrabadi <sup>3</sup> , Mitra Hannani <sup>4</sup> , Fahimeh Karamali	The Effect of Dangerous Driving Behaviors on the Risk of Traffic Accidents Using Structural Equation Modeling	Second Author	Archives of Trauma Research	11	2	74-79	2022

Hossein Akbaria, Mitra Hannanib, Masoud Motalebi Kashanib, Marzie Sadafc, Hamid Reza Saberib, Sedighe Dehghani Bidgolic, Fahimeh Karamalid	Measurement of barriers to perform periodic examinations: development and psychometric properties scale	Third Author	INTERNATIONAL JOURNAL OF OCCUPATIONAL SAFETY AND ERGONOMICS	29	2	941-949	2023
Masoud M. Kashani, Hossein Akbari1, Hamid R. Saberi, Reihaneh G. Pour, Fahimeh Karamali2	Driving Fine and its Relationship with Dangerous Driving Behavior among Heavy Vehicle Drivers	First Author	Indian Journal of Occupational and Environmental Medicine	26	4		2022
Masoud Motalebi Kashani, Peyman Khaleghi Dehabadi2, Fahimeh Karamali2, Hossein Akbari1	Validation of Persian Version of Hyperacusis Questionnaire	First Author	Noise & Health	24	14	191-197	2022
Elaheh Mianehsaz1, Mehrnaz Tabatabaei, Masoud Motalebi Kashani, Hakime Zamani Badi, Habibollah Rahimi	Evaluating Musculoskeletal Disorders and Their Ergonomic Risk Factors among Office Workers of a Large Public Hospital in Iran	Third Author	INTERNATIONAL ARCHIVES OF HEALTH SCIENCES	9	1	35-40	2022
Peyman Khaleghi, Hossein Akbari, Negin Masoudi Alavi, Masoud Motalebi Kashani*, Zahra Batooli	Identification and analysis of human errors in emergency department nurses using SHERPA method	Corresponding Author	International Emergency Nursing	62	101159	101159	2022

### C. Papers Presented in Congress

Row	Author(s)	Title of Article	Congress	Place	Type of Presentation	Year
1	Motalebi , Hannani, Sabahi, Bidgoli	Regression modeling of UV radiation in arc welding without shielding gas	11th national congress of occupational health and safety	Tehran	Oral	2019
2	Zamani.Khajevasandi,Bahrami,Hannani,Motalebi, Saberi, Akbari	Evaluation of safety, health and environment status of laboratories of Kashan University of Medical Sciences by multi-criteria decision method	11th national congress of occupational health and safety	Tehran	Oral	2019
3	Motalebi kashani M Nasrabadi M Karimi A	Human Errors Assessment and Management Study in MAPNA Drilling Rig Control rooms Operators by using of SHERPA Technique	2 <sup>nd</sup> International Iranian Ergonomics Conference	Shiraz	Oral	2015
4	Motalebi kashani M Alami M Akbari H	The Correlation of Character traits with Job Burnout among Beheshti Hospital Nursies in Kashan during 2015	2 <sup>nd</sup> International Iranian Ergonomics Conference	Shiraz	Poster	2015
5	Motalebi kashani M Asadi T Jamali F Younesi E	Risk assessment in patients suffering from back pain caused by movement of nurses in hospitals affiliated to Kashan University of Medical Sciences, as MAPO.	2 <sup>nd</sup> International Iranian Ergonomics Conference	Shiraz	Poster	2015
6	Motalebi kashani M Aghae M Yousefian M	Heat stain index in Metal smelting Industry Workers of Kashan 2015	2 <sup>nd</sup> International Iranian Ergonomics Conference	Shiraz	Poster	2015
7	Motalebi kashani M Hannani M, Khoramabad Hi, Rastgar M,	Compliance with the curriculum content of undergraduate occupational health and aspects of performance expected of graduate working in the Kashan, 2013	9 <sup>th</sup> national congress of occupational health and safety	Yazd	Oral	2014
8	Motalebi kashani M	Survey of unsafe acts in	9 <sup>th</sup> national congress	Yazd	Poster	2014

	Mousavi GH Pourpirali S Kazemi M Dorosti S	Metal smelting Industry Workers of Kashan 2014	of occupational health and safety			
9	Motalebi kashani M Sarsangi V	Assessing the relationship between job stress and occupational burnout among the employee staffs in Kashan rehabilitation centers	1 <sup>st</sup> Iranian Ergonomics Conference	Hamedan	Oral	2013
10	Motalebi kashani M Mortazavi SB Khavanin A	Effect of $\alpha$ -tocopherol on the prevention of noise-induced hearing loss in rabbit	8 <sup>th</sup> national congress of occupational health and safety	Mazandar an IRAN	Oral	2012
11	Motalebi kashani M Hannani, M.	Effect of Long lint carpet stick on noise control in weaving machine	8 <sup>th</sup> national congress of occupational health and safety	Mazandar an IRAN	Poster	2012
12	Motalebi kashani M	Comparison between dilution ventilation and local exhaust ventilation in VOC control at Seramic Industry	3 <sup>th</sup> national industrial ventilation & hygiene conference	Sharif university of Technolog y Tehran,IR	Oral	2012
13	<u>ZANGANEH J. ALMASI H MOTALLEBI M</u>	Flame Spread over Inert Porous Bed Wetted with Highly Flammable Liquid under Given Ignition Delays	10th International IAFSS Symposium	University of Maryland, USA	poster	2011
14	<u>Motalebi kashani M Hannani M Sabahi M</u>	Report of Post-traumatic stress disorder (PTSD) among workers in a metal melting industry in Kashan after severe occupational accident	2nd National congress on health system risk management and disaster	Esfahan IRAN	Poster	2012
15	<u>Motalebi kashani M Mortazavi SB Khavanin A Hannani M</u>	Protective effect of N- acetylcysteine (NAC) administration on prevention of noise induced hearing loss (NIHL) in Rabbits	7 <sup>th</sup> national congress of occupational health and safety	Ghazvin IRAN	Oral	2011
16	<u>Motalebi kashani M Mortazavi SB Khavanin A</u>	Effect of simultaneous noise and carbon monoxide exposure on rabbits' auditory brain stem response	7 <sup>th</sup> national congress of occupational health and safety	Ghazvin IRAN	Poster	2011
17	<u>Motalebi kashani M Babae M Fathi A Chehrghani H</u>	Risk assessment in Laboratories of Kashan medical university of sciences	2th national summit of occupational health and safety management	Tehran IRAN	Oral	2010

18	<u>Motalebi kashani M</u> <u>Moghadasi N</u> <u>Meshki n</u>	Assessment of visual display terminals in Kashan medical university of sciences by Ergo Easer software	6 <sup>th</sup> national congress of occupational health and safety	Tehran IRAN	Oral	2009
19	<u>Motalebi kashani M</u> <u>Lahmi M</u>	Evaluation of physical Work capacity at Iranian workers	International Conference on Ergonomics	Malaya university Kuala Lumpur	Oral	2007
20	Hannani M Motalebi Kashani M	Thermal environment in Iranian Bakeries	International Conference on Ergonomics	Malaya University Kuala Lumpur	Oral	2007
21	Motalebi kashani M Hannani M	Use of future workshop procedure For promoting quality of education in medical sciences	AMEE 2007	Trondhjem Norway	Poster	2007
22	Motalebi kashani M Hannani M Mortazavi SB Khavanin A Asillian H	Cross-sectional study Of neurobehavioral Effects of Carbon Disulfide among Iranian workers	11th EFNS Congress	Brussels Belgium	Poster Published In European Journal of Neurology (ISI)	2007
23	Motalebi Kashani M Hanani M Lahmi MA Khavanin A	Evaluation of Physical Work capacity at Iranian workers	First International Conference on Ergonomics	Tehran Iran	Oral	2008
24	Motalebi Kashani M Hanani M	Preferred speech noise interference level in Banks of Kashan	2nd national summit of Noise, Health and Development	Kashan Iran	Oral	2005
25	Motalebi Kashani M Hanani M	Noise pollution in Kashan city	1th national summit of Noise, Health and Development	Mashhad Iran	Oral	2005
26	Saberi H Motalebi Kashani M	Sleep disorders in shift workers in compare son with day workers in Shahid Beheshti hospital in Kashan	1th Summit of sleep disorders and occupational activity	Tehran Iran	Oral	2003
27	Motalebi Kashani M Alikhani M	Carpet Weavers and Carpal Tunnel Syndrome (CTS)	4 <sup>th</sup> national congress of occupational health and safety	Hamedan Iran	Poster	2003
